PART A: STRATEGIC OVERVIEW OF THE ASSEMBLY

Establishment of the District

The Akuapim South District was established by the L.I. 2040 in 2012 with Aburi as its capital comprising of twenty-four (24) Electoral Areas with four (4) Area Councils. In the year 2020, the District was elevated into a Municipal status by the L.I. 2396 comprising of twenty-Six (26) Electoral Areas with four (4) Zonal Councils.

Population Structure:

The Municipality has a total projected population of 76,922 from the 2021 Population and Housing Census with 48.20% male and 51.80% female and a total projected population of 79,253 for 2024 subsequently.

Vision: To be a first-class client service and development oriented Municipal Assembly.

Mission: The Assembly exists to improve the quality of life of its people through the provision of social services and the creation of an enabling environment for accelerated and sustainable development within the framework of democratic decentralization.

Goals: To improve the living standards of the people in the municipality by facilitating effective, balanced, inclusive and sustained growth and reducing poverty in all forms through effective resource mobilization, allocation and management.

Core Functions:

- Formulates and executes plans, programmes and strategies for the effective mobilization of the resources necessary for the overall development of the municipality.
- Promotes and supports productive activities and social development in the municipality and remove any obstacles to initiatives and development.

- Effectively co-operates with the appropriate national and local security agencies, for the maintenance of security and public safety in the municipality.

Municipal Economy:

- Agriculture: The main economic activity is Agriculture. Maize, Cassava and Vegetables are widely grown crops. Pineapple is the major cash crop of the Municipality with an estimated 37,426.10mt produced in 2022. Citrus and Oil Palm are tree crops grown on a limited scale.
- Road Network: The municipality has a total of 312km length of roads comprising 198 km feeder and 114km tarred roads. The feeder roads link most of the communities to the municipal capital - Aburi. The major road linking the national capital, Accra to the Eastern Regional capital, Koforidua passes through the municipal capital.
- Health: The distribution of health infrastructure is as follows –
 - 5 Health centres
 - 4 NGOs (in the health sector)
 - 23 CHPS Centres
 - 18 Traditional Healers
 - 1 Public & 1 Private Clinics
 - 54 Active Community Volunteers
- Education: There exist 186 basic schools, 106 being public schools and 80 privately owned. 87 are Pre-schools, 58 primary, 41 JHS, 4 public SHS and 1 private SHS exist. In the tertiary sector, there are the Ashesi University and Presbyterian Women’s College of Education.

- Tourism: The Aburi Botanical Gardens established by the Basel Missionaries in 1890 receives over 35,000 tourists annually. Additional tourist centres include the Aburi Craft Village, Forest Reserves, Medicinal Plants, Minerals and Clay Deposits, Building Stone Caves, Oboadaka Water Falls, Papaye Recreational Centre and Aburi Eco Resort.
- Environment: There exist only 28 public toilet facilities with over 10,000 household toilets.

Key Issues/Challenges

- Inadequate educational infrastructure and geographical disparity in access to basic education.
- Inadequate health facilities, logistics and services.
- Poor environmental sanitation (improper disposal of solid and liquid waste, inadequate and poor state of toilet facilities, high prevalence of open defecation in rural communities).
- Inadequate social protection especially support for the needy and vulnerable, i.e., inadequate support for PWDs, people living with HIV/AIDS, Orphan and Vulnerable Children, the aged and poor in society.
- Poor conditions of road networks.
- Inadequate economic infrastructure development e.g., markets, electricity, etc.
- High rate of unemployment, predominantly among the youth.
- Undeveloped Tourist sites.

SUB-PROGRAMME 1.2 Finance and Audit

Budget Sub-Programme Objective

Strengthen domestic resource mobilization to improve capacity for revenue collection.

Budget Sub- Programme Description

This sub-programme establishes and implements financial policies and procedures for controlling financial transactions. It is responsible for ensuring the custody, safety and integrity of all funds of the Assembly, Compiles and manages the accounts prepared in relation to such funds, Keeps, renders and submits statement of financial reports and manages the data use to collect internally generated funds from the rate payers. The Finance Department seeks to ensure the sound financial management of the Assembly's resources and is headed by the Municipal Finance Officer. The department is composed of two divisions, ie. Revenue Collection and Expenditure.

In line with mobilization of IGF, we look forward to paying attention to certain areas like revenue collection and management, and treasury and accounting activities. With the revenue collection and management, we plan to pay commission to the revenue and area councils as this would serve as push factor (source of motivation) for them to willingly open up to do their work which in turn would benefit us. Also, in line with the treasury and accounting activities, we look to the purchasing of value books for the unit/department. These value books would aid us keeping track records of our funds or trust moneys which shall be approved from time to time.

The Sub-Programme will be funded by the Assemblies Internally Generated Fund (IGF).

Internal auditing is an independent, objective assurance and consulting activity designed to add value to and improve an Assemblies operation. The Audit Unit seeks to accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

Internal audit unit seeks to achieve this by providing insight and recommendations based on analyses and assessments of data and assembly processes.

With commitment to integrity and accountability, the internal audit seeks to provides value to senior management as an objective source of independent advice.
