

**ACTIONS FROM THE PUBLIC RELATIONS AND COMPLAINTS COMMITTEE MEETING OF THE  
AKWAPIM SOUTH DISTRICT ASSEMBLY HELD ON TUESDAY 18<sup>TH</sup> JUNE, 2019**

<b>RECOMMENDATIONS</b>	<b>ACTIONS TAKEN</b>	<b>REMARKS</b>
<p>The issue at stake was a complaint by a resident in Kitase about noise generated from a Video center which caused nuisance to the general public.</p> <p>The video operator had placed loud speakers outside of the video center which generated excessive noise causing nuisance to residents.</p>	<p>The PRCC discussed the issue and visited the site together with the District Environmental Health Officer to ascertain the level of noise caused by the operations from the video center and also find lasting solution to the complaint for peaceful coexistence among residents.</p> <p>Upon the visit it came out to light that, the claim by the residents was true. The video center in question also operated without permit as the operator could not provide one.</p> <p>The operator was directed to keep the loud enclosed in the video center and also regulate the level of noise coming the center.</p>	<p>The operator acted was He was directed to in order to bring the noise levels from the video center and there has been peaceful co-existence ever since.</p>
